2 NEW MODELS

Compass Collection

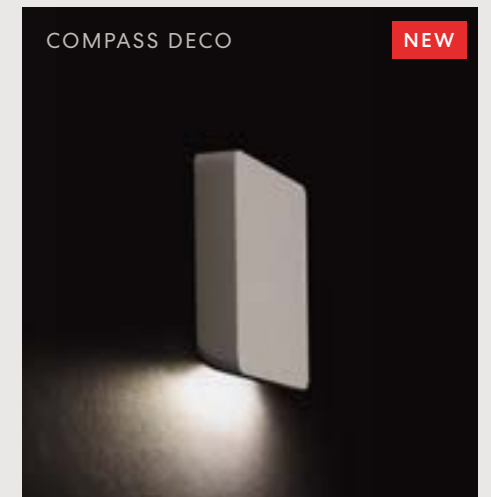

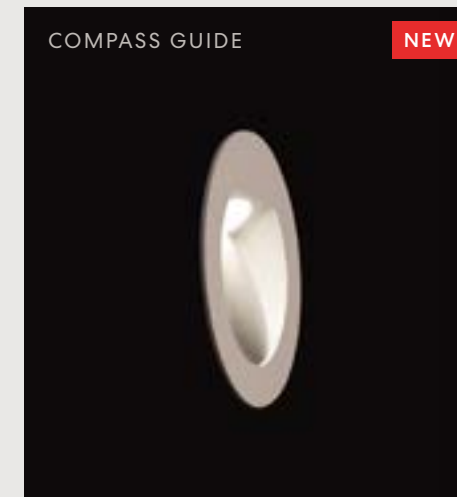

The Compass Collection brings together a range of 3" fixtures—Button, Oryo, and Bulb for outdoor and general architectural applications, along with Guide and Deco for indoor wayfinding.

Each is built with precise construction, integrating cleanly within architectural surfaces while delivering controlled, low-level illumination.

Across applications, Compass supports spatial definition and orientation while maintaining visual comfort.

Integrated Architectural Luminaires

Featured Product
Compass Guide, Square, Wall Recessed, Direct, Black Finish

COMPASS

Guide NEW

DESIGNED FOR WAYFINDING

Designed for indoor wayfinding, Compass Guide fixtures are set cleanly within architectural surfaces, providing clear, legible guidance across circulation spaces.

Suitable for corridors, stairways, walkways, and transitional areas, Guide is available in round and square forms, with a minimalist faceplate and configurations for new construction and remodel applications. Low-level illumination supports visual comfort and intuitive movement.

Clear, legible wayfinding for circulation spaces

Clean architectural presence with round and square forms

Flexible installation for new construction and remodel applications

Compass Guide— Assured Wayfinding.

A measured rhythm of light guides the path.

Featured Product
Compass Guide, Round, Wall Recessed, Direct, White Finish

COMPASS

Deco NEW

EXPRESSION THROUGH DETAIL

Also designed for indoor wayfinding, Compass Deco features a more decorative faceplate. Available in round and square forms, it supports both new construction and remodel applications and can distribute direct or indirect lighting, delivering low-level illumination with visual comfort.

Decorative trim frames the opening

Available in round and square apertures

Suitable for new construction and remodel applications

Featured Product
Compass Deco, Round, Wall Recessed, Direct, Dark Bronze Finish

Featured Product
Compass Button, Wall Mount, Gold Finish

COMPASS

Button

Declare

LOW-PROFILE, MINIMALIST GEOMETRY.

Defined by simplicity and proportion, Compass Button distills the Collection aesthetic to its essence—a compact, surface-mounted luminaire delivering soft, uniform illumination.

Its 3" round, low-profile form integrates seamlessly into walls, while IP66-sealed construction ensures lasting performance indoors or out.

Whether used as a single accent or in rhythmic arrays, Button brings clarity, comfort, and quiet sophistication to architectural spaces.

Oryo

Compass Oryo - Focus

LIGHT AS ORIENTATION

Oryo combines precision engineering and IP66-rated durability with a refined form, serving to feature, punctuate, or accent architectural spaces.

Compass Oryo-Focus offers 90° beam angles in direct, indirect, and direct/indirect configurations, delivering precise, directional illumination.

Oryo's diffuse optical geometry creates a smooth gradient of light, ideal for walls, corridors, and architectural features requiring visual emphasis.

Bulb

THE GLOW OF SIMPLICITY.
WALL OR CEILING MOUNT.

With its spherical 3" form, Compass Bulb embodies the timeless archetype of light itself. Designed for both wall and ceiling applications, its three-dimensional geometry and solid frosted acrylic optic deliver balanced illumination and visual comfort from every angle.

Engineered with sealed, IP66-rated construction and meticulously refined materials, Bulb introduces atmosphere and clarity to environments where form and function coexist in perfect balance.

COMPASS COLLECTION

Finishes

Compass fixtures are available in an extensive palette of designer colors and finishes—ranging from timeless neutrals to expressive hues and refined metallics. Whether chosen to blend seamlessly with architecture or to punctuate it with color, each finish enhances Compass's decorative versatility and contributes to the collection's distinctive visual harmony.
