Tote fixtures introduce a rhythmic layer to the office environment.

Forma

Geometry Taking Shape

The clean lines and elegant profiles of the Forma pendants make them remarkably versatile luminaires. Timeless and inviting, the Caret, Tote, and Cupola luminaires enhance interior settings with architectural purity and refined performance. Armed with our Unity Pointed (UP) technology, the luminaires deliver lens brightness uniformity across all shapes and sizes within the same lumen output.

 Three 8" Cupolas over the kitchen island
 and two 12" Carets in the living space.

Our bold and geometric **Forma Pendants** can both define and unite spaces.

Forma Performance

The Forma Caret, Tote, and Cupola illuminate with exceptional visual comfort thanks to our High-Efficiency Lambertian Optic (HLO), a thermoformed diffusing acrylic lens that delivers excellent light source obscuration values.

Both the Tote 12" and Tote 24" offer an uplight/indirect component to provide a soft ambient glow to the illumination.
